Summer Enrichment Program Before and After School Care

Thanks to the enthusiasm and energy of our wonderful staff, the Summer Enrichment Program's Before and After School Child Care is a world of activity and exploration. Every day the children will have the opportunity to learn through teacher-directed lessons as well as through play and child-directed activities. They will explore different forms of art and means of expression through various activities such as painting, sculpting play dough, cutting and pasting materials of different textures, coloring with pencils, crayons, and water colors, creating collages, and painting murals. Singing and dancing is also an integral part of the program. Children enjoy music and all it has to offer via movement, singing, games, and improvisation. Included in the program is a rest time for all children who stay with us in the afternoons.

Meals/Snacks: Students in the Before School program eat breakfast at 7:10. If your child is in attendance at that time, he/she may bring a breakfast to eat with the group. If your child is with our program after school, please pack a lunch. Children will be provided a snack in the morning classroom; however, if your child is with us after 3:00, please include a mid-afternoon snack. Refrigeration is available, if needed.

Parent Drop-off and Pick-up: In the mornings, children must be signed-in by a parent/guardian. At the end of the day, all parents/guardians will sign-out their children. We do not release the children to someone who is not authorized by the parent/guardian.

Pricing: Based on your child's schedule, the cost of care is \$5.00 per hour. The registration fee is \$50.00 and is applied to your summer care program.
